

Drake Tech & IT Recruitment

We provide complete recruitment services solution for Information Technology staff

ABOUT DRAKE TECH & IT

Drake Tech & IT Recruitment provides a complete recruitment services solution for sourcing and selecting Information Technology staff.

Our recruitment team at Drake hire IT specialists on a permanent and contract basis. With large candidate networks of talented IT professionals, our focus is on finding people with the right balance of technical and soft skills who are the best fit for each role.

With 15 branches across Australia and operating in 12 countries globally, Drake is a preferred supplier for many businesses across the nation and globe.

WHY USE A SPECIALIST RECRUITER?

- Access to qualified and experienced IT professionals.
- Technical testing of skills to help validate a candidate's skills and professional knowledge.
- Ensure all candidates are rigorously screened through complimentary personality profiling, and additional psychometric testing when appropriate.
- A timely service.
- Ensure your brand is responsibly managed throughout the recruitment process.
- National wide offices and candidate base.
- Engage with experienced staff who understand the technical and soft skills required for the role.
- Experience Headhunting the best Talent with the best Technical skills to fill your vacancies.
