

Staffing and HR Solutions

Increasing the Return on your
Human Capital Investment

“We have not had an HR component within the business for some time, and have relied on Drake’s services to fill the gaps in everything from HR Consulting to Training, Labour Hire & Recruitment, thus allowing us access to a ‘one-stop shop’.”

Ralph Becker - National Operations Manager, Hypercom Australia Pty Ltd (ACG Group)

Increasing the Return on your Human Capital Investment

It is often said that an organisations most valuable asset is its people.

An integrated and comprehensive approach to HR vastly improves the productivity and profitability of any organisation. When neglected, issues such as turnover, absenteeism, reduced employee engagement and productivity also have a significant impact.

Drake International is not just a recruitment company. We are a recruitment company that doesn't want you to recruit.

In order to truly maximise the potential of your human capital investment, it must be managed throughout the employee lifecycle, commencing at the recruitment stage.

Drake's suite of HR focused solutions, technologies and services enable our clients to increase the productivity and performance of their business.

Our services include:

DRAKE SOLUTIONS

A range of customised products, technologies and consultancy services that cover every aspect of HR and workforce management including;

- Onboarding and Orientation
- Leadership Development
- Succession Planning Software
- Psychometric and Behavioural Assessments
- Skills Assessments
